Dear Dick,

I'm writing in respect to a model
700, 270 ADL, which I returned to
you for repair; order number 88-1479.

As of this date, I have not
received return.

Apparently UPS was to deliver
it; they sent me a card of incomple
address. I called them and gave
them the following address:

Mr Rollin E. Severance
c/o John Wiley's Garage
Main Street
South Londonderry
