RE: model 700 30/06 #6752646

Dear FRAN:

AS PER OUR PHONE CONVERSATION
ON 1-7-90, CONCERNING THE ABOVE
30/06. THIS GUN DISCHARGES WHEN
THE SAFETY IS MOVED TO THE FIRE
POSITION. NOTE: THIS DOES NOT HAPPEN
ALL THE TIME BUT LOOK-OUT WHEN IT
DOES. THIS VERY SAME GUN WAS SENT
BACK APPROX 2-3 yrs ago THRU A GUNSMITH
TO REMINGTON FOR THE SAME PROBLEMS
WITH ONE ADDITIONAL PROBLEM, IT WOULD
ALSO FIRE UPON CLOSING THE BOLT.

For all your financing needs.
