

JIM,

THIS WEAPON FIRES AT ANY TIME. DURING ANTELOPE SEASON, IT FIRED ON 4 STRAIGHT GASES. CLOSE THE BOLT AND IT GOES. NOT MUCH TROUBLE DURING BIG GAME SEASON. I TRIED COCKING IT AND THEN RAPPING THE ACTION AND THEN IT WOULD NOT FIRE, BUT WHEN I MOVED THE BOLT TO COCK IT AGAIN, IT FIRED. THIS WAS DONE WHILE EMPTY, SO AMMOS IS NOT THE CAUSE.

VIC
