Dear Sirs,

I'm sending you this rifle in hopes that you will find the problem with it. If you not sure you fired it, I would appreciate it if you would let me know. I've lost two bucks to this gun already and don't care to have it happen again.

The first time I had trouble was November '87. I pulled the trigger on a buck and the trigger came back but nothing happened. When I went to put another shell in, the gun went off when I touched the bolt. The buck was gone. After that I fired the gun and it worked fine.

Before this season I fired 40 rounds through it and-
