 9401 FIRESIDE DRIVE
 SHREVEPORT, LA 71118

Dear Mr. Stafford:

Your letter of January 6, 1987 that was addressed to the Firearms Product Manager, Bridgeport, Connecticut, regarding the accidental firing your father experienced with your Model 700 A&L 270 Win caliber rifle, serial number B6735632, has been forwarded to this office for handling.

We were indeed sorry to learn of your having a problem of the nature you described, and that your father was injured as a result of the occurrence.

Generally, the type of problem you described results from either improper adjustment of the trigger assembly outside our factory, from improper maintenance of the rifle, or from inadvertent contact with the trigger when the safety was in the "fire" position.

Please, at your convenience, return the rifle via U.P.S. transportation C.O.D. to:
