We trust that we have clarified the circumstances that could possibly have caused the accidental firings and, as a gesture of good will, we can replace the trigger assembly with a new one at no charge, or, the rifle can be returned, with the present trigger assembly cleaned and readjusted. We will await your decision and reply.

Thank you for having afforded us this opportunity to examine your rifle and to be of service.

Sincerely,

J.A. Stekl, Supervisor  
Firearms Product Service
