CONSUMER SERVICE

3-4-'89

Karl Green
Trion

Dear Sirs,

I recently purchased a used
Remington Model 600 in 6 mm serial
number: 11249.

I have researched that in the
American Rifleman December 1978, page 63,
there was a recall on the safety
selector.

Can you tell me if this gun
has been fixed, or needs to be repaired
yet.

Thank you
Loren Walling
