TO: Remington Arms Inc.

DEPT ASD

14 HOEFER AVE

ILION, NY 13357

WHOM IT MAY CONCERN:

PLEASE INSPECT MY GUN FOR POSSIBLE
PROBLEMS WITH THE TRIGGER MECHANISM
AND REPAIR AS REQUIRED.

FOUR(4) SEPARATE TIMES SINCE I BOUGHT
THE GUN FROM A FRIEND (J.R. MIZE) THE
RIFLE HAS FIRED ACCIDENTLY WHEN PUSHING
OFF THE SAFETY.

I HAVE ANOTHER GUN JUST LIKE THIS
ONE AND IT HAS NEVER FIRED BY
SIMPLY PUSHING OFF THE SAFETY.

MY FATHER IN LAW (R.V. LYNCH) SHOT A HOLE
IN HIS TRUCK SEAT & DOOR IN THE PROCESS
OF UNLOADING THE GUN WHEN HE PUSHED THE SAFETY
OFF THE GUN FIRED.

MY SON (ROGER WEIR) SHOT A HOLE IN THE
ROOF OF HIS DEER BLIND WHEN HE PUSHED
THE SAFETY OFF. AFTER SEEING AS DEER.
