Dear Sirs,

Enclosed is my Remington model 700 300 Win. Mag. rifle, serial # 6485398. Please examine it as soon as possible due to an accidental discharge. Last fall in temperatures just below freezing, the gun fired accidentally when I moved the safety to off. Just prior, I had had trouble moving the safety to off and could not work the bolt to eject the cartridge. When it discharged, the bullet struck no one but sure surprised me.

Again, thank you for your help. I hope the rifle will be back to me in September if possible. Send me the bill, please

Sincerely,
Charles A. Whipple
