We trust that we have clarified the circumstances that could possibly have caused the accidental firing and, as a gesture of good-will even though there is nothing wrong with the present trigger assembly, we can replace it with a new one that will allow opening and closing the bolt while the safety is in the "on safe" position, at no-charge, to insure that our customer's faith in the rifle is restored, or, the rifle can be returned to you in the same condition as received. We will await the decision and reply.

Thank you for having afforded us the opportunity to examine the rifle and report our findings.

Sincerely,

J.A. Stekl, Supervisor
