

Remington Arms
ASD
14 Hoefler Ave.
Illion N.Y. 13357

Dear Sirs:

Enclosed is a Remington Model 700 SN 6668023. I purchased this gun used several years ago. Last year while hunting with it, it fired when I flipped off the safety.

In April while at the NRA convention I talked with a Remington rep. and he told me to return it to the factory for repair. Please repair and return to me.

Thank You,
Albert F. Wilson
