Subject: #2680, Model 710's

Dear Mr. Chambers,

I am sorry to learn about the unfortunate incident you and your brother experienced with the Model 710 rifles. I will call you after inspection of the rifles. I appreciate your patience.

As we discussed, I have enclosed two prepaid UPS shipping label for you to ship the firearm back to our factory for examination. **I have also included two copies of this letter to put inside the shipping boxes. The letter inside is important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly.** On the factory repair form, please provide additional information about the incident, including the date of the last occurrence, type of weather, type of ammunition being used, etc. On the ends of the box, write, "Supry" as this firearm will be inspected by Fred Supry.

I apologize for the inconvenience that this incident has caused and I hope that these actions will keep your family loyal Remington customers.

Sincerely,

Christy Mitchell

we have a 270 model "710" and this gun was the most recent accident. About mid november my son Josh was hunting with his older brother Jesse. Josh reached to pull the gun in and was holding the gun with 2 hands around the stock just in above the scope when he sat it down as soon as the butt hit the ground it went off. Jesse who is 20 checked and

Please describe your problem:			
This was the bad accident. My eldest son Jesse had his youngest brother Jake with him on a morning hunt about 2 seasons ago (2 years). He asked Jake to hold the gun so Jesse could pee. He was 14 but was taught very rationally about guns. The gun went off out of nowhere hitting Jake in the center of his foot. The safety or trigger was never once touched. My children know the
