About 10 years ago he took it out and it fired when closed the bolt two times in a row. He took it home to his Dad and he shot it 8 times and it never happened. He put it in the safe after that and has not used it. He now wants to have it checked out so that his daughter can use it.cm

Dear Mr. Bouchard,

Enclosed is the prepaid UPS ground shipping label. Please include a copy of this letter with the firearm. **The letter inside is important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly. Please mark the ends of the box with "Product Service".** Apply the label to your box and take it to a UPS terminal or driver for shipping.

I apologize for the inconvenience that this incident has caused and I hope that these actions will keep you as a loyal Remington customer.
