Dear Mr. Mansfield,

Enclosed is the prepaid UPS ground shipping label. Please include a copy of this letter with the firearm. **The letter inside is important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly.** Please mark the ends of the box with "Product Service". Apply the label to your box and take it to a UPS terminal or driver for shipping.

I apologize for the inconvenience that this incident has caused and I hope that these actions will keep you as a loyal Remington customer.

Sincerely,

Customer Service!
 After seeing the show
 "Remington Under Fire", I contacted
 your customer service number &
 explained that this rifle
 shows the same symptoms as
 shown on TV. I purchased the
 gun quite a few years ago,
 used! I have never altered
 it in anyway myself, but I
 don't know if it never has
 been. It look like an "old
 beater" but still a very
 good shooting rifle - one of
 my favorites.
 Thanks,

Bob Mansfield
