10/21/10 Saw broadcast, has had FSR on one of his 5 bolt action rifles. Does not know how old it is or have serial # available. Some he admitted he bought 2nd hand. He has never oiled or cleaned his triggers except for externally with a brush. When he oils the rec/bbl he turns it on the muzzle to drain so that it does not go into the trigger.cm

10/21/10 I offered ARS for all bolt actions to be inspected. I gave instruction on cleaning the trigger internally with air or action cleaner and offered a manual for instruction on oiling trigger. Not sure if he will send for inspect or not.cm
