Subject: Case 4586, Model 700

Dear Mr. Waltz,

I am sorry to learn of the incident with your Remington Model 700. Enclosed is a UPS prepaid shipping label for shipment of the firearm to our factory. Please include the enclosed copy of this letter with the firearm. **The letter inside is important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly.** Please mark the ends of the box with "Supry".

I apologize for the inconvenience that this incident has caused and I hope that these actions will keep you as a loyal Remington customer.

Sincerely,

Christy Mitchell
Consumer Affairs Administrator

Please describe your problem and date of occurrence: On May 20, 2010 during Emergency Response Team Sniper Training one round discharged immediately when the bolt was closed. The rifle was immediately taken off line. When the bolt is worked up and down the firing pig goes forward and back with the bolt does not lock back every time. It seems the trigger pull gets lighter and harder on it's own. 157 characters left
