Subject: #5031, Model 700

Dear Mr. Zane,

Per our phone conversation, you should receive an email with your prepaid UPS ground shipping label for shipment of the firearm to our factory within the next 24-48 business hours. Please include a copy of this letter with the firearm. **The letter inside is important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly.** Please mark the ends of the box with "Product Service".

I apologize for the inconvenience that this incident has caused and I hope that these actions will keep you as a loyal Remington customer.

Sincerely,

Christy Mitchell

Subject: 700 safety call

I got a voicemail this morning that I was told I should pass to you.

Jay Zane ("Ben" suggested he contact me – I'm assuming Ben Minichino (old Fed Rep) – said his rifle went off when the safety was pushed to 'off'. No one was hurt but he wants to talk to someone here about it. 985-264-4109.

If I'm allowed to call him, I certainly will, but I don't want to break protocol if you guys are supposed to be handling these.

Let me know, either way.

Thanks.
