To whom it may concern,

My name is SFC McGrath, Christopher from ODA7315. I had just spoken with one of your representatives about this situation and he had said you could assist in this problem. We will be deploying in the upcoming months and we currently have two Sniper Deployment cases and they are in the need of some serious refurbishing. We have had these cases for some years now and have been through numerous deployments and training exercises, and they have seen better days. The ODA would greatly appreciate it if you could assist us in this manner. If there are any questions please call at 910-432-8978. ODA 7315 thanks you for the assistance in this manner.
