A high-contrast, black and white photograph of a closed folding knife. The knife is positioned diagonally across the frame. The handle is highly ornate, featuring intricate scrollwork and a central oval medallion. The medallion contains the text "WINDSOR ARM COMPANY LIMITED EDITION" and "THE WINDSOR PATENT". The blade is partially visible, showing a similar ornate design. The background is dark and textured, possibly a piece of fabric or paper. The lighting is dramatic, highlighting the details of the knife's handle and blade.
