TO: E. B. Wallin
FROM: R. A. A. Hentschel
SUBJECT: MODEL 721 DRAWINGS

Please refer to our memorandum of October 4th on this subject. This memorandum pointed out that 8 drawings had been omitted from the set which were sent to you. With this memorandum we are transmitting copies of these drawings. It should be emphasized that these are still experimental and are subject to change and are to be used for estimating purposes only.
