PRODUCTS COMMITTEE
INFORMATIVE BULLETIN #9

SUBJECT: MODEL 720 HIGH POWER RIFLE
COMMENTS AND CRITICISM BY P. J. DAUBENSPECK

We are attaching a copy of a letter recently sent to C. K. Davis by P. J. Daubenspeck of Emlenton, Pennsylvania. Mr. Daubenspeck's comments on our Model 720 High Power Bolt Action Rifle, and on various ammunition items, are extremely interesting.
