TO: J. E. STERN
FROM: E. G. GILMORE
SUBJECT: MODEL 631 MACHINE FOR USE ON MODEL 721

This will advise you that we are ready to make available the Cincinnati 2/24 Plain Automatic Miller, Serial Number 182F18-8, now located in Building 72-2. It is understood that this machine is being loaned to you for use on the Model 721 until such time as we shall need it for use on the Model 631.

We are attaching two copies of the list of equipment received with this machine, and will appreciate it if you will sign the second copy of the list, acknowledging receipt of these items, and return it to us. The extra equipment not on the machine is located in the Technical Grid in Building 76-2. When you wish to pick up this equipment will you please contact Harry Lynch in the Technical Department.
