TO: J. J. Phillips
 FROM: G. L. Smith
 SUBJECT: APV 11885 - SYNCHRO-MORPLY Co.

The above captioned APV included one item, "Set
 S 26125 ZA Fixtures and Collet Pads to fit above machine to
 properly locate and assemble gun barrels as shown on print
 S 17181 XXI, \$94.25".

It appears that this item, which is strictly
 chargeable to the Tool Revisions account, was charged to
 the Machinery and Equipment part of Project FD-721-4, work
 order 81377. Machinery and Equipment should be relieved of
 this charge of \$94.25 and transfer should be accepted on the
 Tool Revisions part of Project FD-721-1, work order 71114.
 This request is supported by our alteration with the original
 purchase order I-1807 dated January 28, 1947.
