FROM: H. A. Brown

SUBJECT: SURPLUS EQUIPMENT TECHNICAL DIVISION FD-721

On February 19th we sent you a listing of three screw machines which were available for transfer to the Plant. Through error, we did not include the special equipment which was purchased for each of these machines.

In a discussion with W. H. Davis he requested that the additional equipment be made available for transfer to the Plant facilities. The equipment is as follows.

QUOTED PRICE

Screw Slotting Attach. 000 Auto S.M.	\$ 290.00
Vert. Slide Attach. 000 Auto S.M.	235.00
Gross Drilling Attach. 000 Auto S.M.	90.00
Attachment Driving Stand	80.00
Screw Slotting Att. for 00 Auto S.M.	135.00
Vertical Slide Att. for 00 Auto S.M.	265.00
Gross Drilling Att. for 00 Auto S.M.	175.00
Attachment Driving Stand	80.00

INVOICE PRICE

Screw Slotting Att. for 20 Auto S.M.	\$ 430.00
Vertical Slide Att. for 20 Auto S.M.	370.00
Gross Drilling Att. for 20 Auto S.M.	240.00
Attachment Driving Stand	185.00

Based on the conversation with W. H. Davis, V. G. DeRous notified the Plants Works Engineering Department of this equipment and it is being included in the P.I.T. together with the three screw machines which were previously made available.
