

DAILY PROGRESS REPORT

June 10, 1948

The 8/22-23 and 24-25 days have been subjected to a functional test of 20 rounds each. The following results:

Gun No.	Round Fired	Ammunition Type	Time of Ballistics
1/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
2/22	1-20	Remington	1 fails to feed
3/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
4/22	1-20	Remington	1 fails to feed (over-ride)
5/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
6/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
7/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
8/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
9/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
10/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
11/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
12/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
13/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
14/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
15/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
16/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
17/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
18/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
19/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
20/22	1-20	Remington	1 fails to feed (over-ride) and small shot function
