FROM: K. C. Gilmore

The following Model 721, 300 Magnum, Rifles were withdrawn by our Test Group for pilot line testing and charged to Work Order 71565, Project PD-721-1.

Serial Numbers: 47391  
47186  
47553  
47339  
47530  
47172  
47340

All of these rifles have been returned to A. L. VanArman, of P. E. & G. Department, and the Work Order should therefore be credited for their value.

Gun #47396 has been retained by the Technical Department and this charge should still stand against the above mentioned order.

Will you kindly see that the necessary credits are issued to the Project for the return of these guns.
