SUBJECT: Development of New Caliber 244 Remington Cartridge and
Adaptation of Model 722 Rifle

Superseding letter of September 9, Dewey Godfrey has revised the estimate of additional sales volume as follows:

	<u>Annual Sales</u>	<u>Retail Price</u>
Cartridge (70 - 80 grs.)	200,000	\$172.50 per M
" (80 - 100 grs.)	50,000	172.50 per M
Rifle - 244 Caliber	2,500	82.80 each

The above forecasts should, therefore, be used in estimating costs and return on investment.
