TO: M. R. WARDEN
R. H. COLEMAN
H. K. FAULKNER
DEWEY GODFREY
H. M. STOESSEL
G. M. CALHOUN

FROM: H. A. BROWN

SUBJECT: Obsolescence of Model 722 - 300 Savage and
Model 760 - 257 Roberts

Reference: H. A. Brown's letter to Staff, Sept. 19, 1956 (attached).

The second and third recommendations regarding spare parts are revised and approved as follows:

The Ilion plant be authorized to provide spare parts coverage that is required only for the above rifles in the following amounts:

Barrels - 10 years
Other Parts - 15 years

The above coverage should be provided with the least adverse effect on investment, either by (1) retaining the tooling to produce the parts as needed or (2) produce the supply of parts and dispose of the tooling.
