MODEL 700 - SERIAL NUMBERS

Ref: Your letter 6/22/61 to W.H. Foster

W.H. Foster advised by telephone today that Sales has no objection to starting the serial number at 1,000 for the above model. Your letter indicated that the Plant would prefer this rather than a higher continuation number series beyond the present M/721-722 serial marking.

Assume this will be confirmed in the usual manner for model drawing and Remington Standards - Arms transmittal.
