TO ~~SAM~~ Wayman (adv) DATE 5/18/62
FROM JACK MITCHELL File XP-100 - adv

TALK ABOUT COINCIDENCE - I had just written a "why wait" note on the XP-100 ANNOUNCEMENT when your "SPEEDIMEMO" ARRIVED. GREAT MINDS! I agree - adv will attach your note to my note.

Some of these days a group of our adv. boys will call on you again. Thanks, SAM!
