Hand gun

From:

Tom Traylor & Best regards

Rec'd message 11-27- and answer 11-29-. Mounted
Dushnell scope on it and it is a
"Going Jessie".

#1- Put a "Glowing" sight like Stacca
on front sight for dark

#2- Rear sight - outline in white.
Low faster alignment.

#3- Make it also in 6mm Walker
744 Bullet or 222 Mag case. It will

be legal for antelope & deer - what do you think?
