From: Tom Trupe Law Enforcement Weapon

Dear Wayne-

When we shot the XP100 a year ago, I believe you had a model with a clip. If such a clip can be developed -

We have a good potential for sales to L.E. Depts if we could have 5 shot or 10 shot clips. Features would be (1) ease of handling.

(2) - extreme accuracy (3) less danger of ricochet over heavy bullets - This point is OF MUCH CONCERN to L.E. agencies. (4) Metal case bullets for penetration. What's your reaction?

Best regards - Tom.
