SALE OF XP-100 PISTOLS
TO EMPLOYEES

This supplements our letter of January 24, 1963
on subject item.

Should you receive an order from an employee for
an XP-100 Pistol, we should have an order entered by the
Order-entry Department (at employee's price) and have it
shipped directly by the Ilion Plant.

No pistols should be sold out of or carried in
Employees' Stores in Bridgeport.
