MODEL 600 - Cal. 6MM - PILOT LINE TEST Correction to Letter Dated May 1, 1964

Will you please make the following correction to the Test Data Sheet attached to the above letter:

> All figures as shown under Firing Pin Indent (Min., Max. & Avg.) should be increased by approximately .004", due to measurement procedural error.

This will result in correctly indicating that all guns were within testing specifications.

AND CONTRACTOR OF THE PROPERTY OF THE PROPERTY
