Dear Sirs:

Wayne -
Thanks - have
seen this Mr. & acknowledge

Pete

Having purchased your 350
Magnum 600 series serial number
33717, I wish to congratulate you
on one of the finest Rifles ever made.

Everything about the gun is more
than can be dreamed of - good handling
qualities - good appearance - amazing fire
power. With this calibre and the 600
series you have hit the peak of hunting
weapons.

I have had over 50 different rifles
but nothing has been as satisfactory as
this one, not even the Maubach-Schumann.

Congratulations on the finest
rifle ever made
