**MODEL 700 "BBL" BOLT ACTION CENTER FIRE RIFLE
CALIBERS 350 REM. MAG. AND 6.5 REM. MAG.**

The estimated volumes for the 350 Rem. Mag. and 6.5 mm Rem. Mag. in the Model 700 "BBL" Center Fire Bolt Action rifle have been revised. Economics should be developed based on the following:

	<u>1968</u>	<u>1971</u>
350 Rem. Mag.	1500	1000
6.5 mm Rem. Mag.	1000	700
TOTAL	2500	1700

This revises the Feb. 2, 1968 letter. The calculation is to be on the basis of 80% new business and a 20% reduction in Sales of other Model 700 calibers.
