John,  
Per your request the ammo types used during the 100rnd M/710 .270Win T&P test are as follows:

TYPE	Stem Lows
R270W1	2
R270W2	0
PRB270WA	47
RS270WA	14
R270W4	4

The number of Stem Lows per ammo type are denoted as well. Let me know if you require further.  
Dale
