REMINGTON STANDARDS - ARMS  
M/700 C. F. BOLT ACTION RIFLE

Attached is a revised supplement of ten (1) sheets.

CHANGES INCLUDE:

- Addition of RIFLING INDEX (Page 1 of 1).
- Addition of ACCURACY INDEX (Page 1 of 1 revised).
- Inclusion of all calibers in basic supplement and deletion of separate caliber pages as result.
- Structure of specifications revised to reflect caliber inclusions.

A reduction in pages has resulted and improved correlation from caliber to caliber should result.

NOTE: 700 L.H. (LEFT HAND) - See separate sheet. (not included in this revision).  
700 VARMIN'T not included. (See separate sheets 1 - 3).
