SUBJECT:

MODEL 700 GUN OWNER'S GUIDES

M. H. Walker has suggested that present copy instructing adjustment of trigger be substituted with following:

"TRIGGER (Fig.4) - No adjustment of trigger by
the owner is recommended. Trigger pull has been
factory adjusted. Should any adjustment be necessary
return rifle to factory or see a Remington approved gunsmith."

The question arises as to whether the illustration (Fig. 4) should also be deleted.

As of this date, there are 6,725 copies in stores, representing approx. \$2,000. Reorder date is next month.
