

DON'T SAY IT—WRITE IT

TO S.M. ALVISDATE February 21, 1973FROM F.G. HARTSUBJECT: MODEL 700 GUN OWNER'S GUIDES

M. H. Walker has suggested that present copy instructing adjustment of trigger be substituted with following:

*b7c*  
*XXXX*

"TRIGGER (Fig. 4) — No adjustment of trigger by the owner is recommended. Trigger pull has been factory adjusted. Should any adjustment be necessary, return rifle to factory or see a Remington approved gunsmith."

The question arises as to whether the illustration (Fig. 4) should be deleted.

As of this date, there are 6,725 copies in stores representing approx. \$2,000. Reorder date is next month.
