Australia - Model 700 Trigger Adjustment

I am attaching a copy of a letter from our distributor, Boustead Wood concerning their progress on modifying the Model 700 Rifles to conform with the Australian requirements.

Will you honor their request for 60 additional sets of modified screws so that they can finalize their operations. These should be sent to:

Boustead Wood Pty. Ltd.
P. O. Box 148
Errolton 2115, Australia

They should be sent in the same manner as before. We would appreciate confirmation from you that these parts have been sent.

Thank you for your cooperation.
