To PRODUCT SAFETY COMMITTEE Location \_\_\_\_\_  
From E.T. BARRETT Location \_\_\_\_\_ Phone No. \_\_\_\_\_  
Subject PRODUCT SAFETY MEETING Date 4/28/75

A meeting was held 4/23/75 to review status of M/600 quality audit.

During this meeting a plan was developed to make a comprehensive review of the fire controls used in the other bolt action rifles.

We expect to have the results of this study ready for review with the Committee in late May.
