Center Fire Rivetless Extractors

Purchasing is negotiating with the vendor to arrive at some contractual compromise so that work can proceed with procuring trial rivetless extractors for testing.

AUG.

PURCHASING IS AWAITING A PROPOSAL FROM OUR CURRENT VENDOR FOR HIM TO MANUFACTURE THE NEW RIVERLESS EXTRACTORS ON HIS A.SCIDE MACHINE. THE VENDOR IN TURN EXPECTS A QUOTE FOR A 4-SCIDE MACHINE BEFORE THE END OF AUGUST, SO HE CAN PREPARE HIS PROPOSAL.
