

J. B. Barber

Model 500 Competition Trap

An A & B grade model will be ready by the middle of Dec.
 including of the vent hole and a stock are still required.

The target trigger has a binding problem in the disconnector
 work is being done to assure the return of the disconnector
 during the working operation.

Model 700-600 Fire Control

A new Fire Control for these rifles will be
 needed. Included in the design will be

the blocking of the rear end trigger. Provision
 will be made to open the bolt and unload the
 chamber with the safety in the on safe position.

Model 700-600

The Model 700-600 is a new design.

Consultation on 500 & 600 models
 Planned.
