Center Fire Rivetless Extractors

Purchasing is negotiating with the vendor to arrive at some contractual compromise so that work can proceed with procuring trial rivetless extractors for testing.

AUG.

PURCHASING IS AWAITING A PROPOSAL FROM OUR CURRENT VENDOR FOR HIM TO MANUFACTURE THE NEW RIVETLESS EXTRACTORS ON HIS 4-SLIDE MACHINE. THE VENDOR IN TURN EXPECTS A QUOTE FOR A 4-SLIDE MACHINE BEFORE THE END OF AUGUST, SO HE CAN PREPARE HIS PROPOSAL.
