SUBJECT OF EXPT. Scope Mounts

Have been asked by F.S. Martin to look at
designing scope mount for M-7 & M-700
Bolt Action Rifle - Mount to be "UNIQUE"
to Remington Rifle - May be of "Integrated"
Concept - Cheap - Pleasant in appearance -
Will look at previous attempts and evaluate
Butler did some for Tinde -
Sango did some for Walker - (way back) -
First layout has been done and signed
by S.A. Fanelle and A.R. Eddy picture
of mount in below.
