" " Spring	—
" " RET. P.I.D	—
Bolt Plug	SK-D-3551
Trigger Pin Assy	
Final Crimby	

X

Gary,

This is the estimate for the Bolt Lock - the drawings we rec'd were for the M/700, but we were requested to include this on the Bolt Action Carbine estimate.

Brace
5/24/80

John -

Work this up & issue to IE for estimate on its own. They can add to BAC as separate item.

Thanks
JC
