MODEL 700

NEW FORMAT INSTRUCTION BOOKS

Please be advised that a new style instruction book, form 5461 Rev. 980, has been approved for release to production.

This instruction book replaces owners manuals for the standard and classic grades, form 5461 Rev. 1279 and 6768 Rev. 179 respectively.

A quantity of the new format books have been received and are to be implemented for packaging immediately. All copies of the old style manuals are to be scrapped.

Production is to continue using the current M/700 left hand manual, form 6664, until receipt of the new style books. Upon receipt, the books are to be released to final packaging for utilization and all old style left hand manuals scrapped.
