FROM: J. W. BROOKS   
SUBJECT: COST COMPARISON OF MODEL 700 vs. 788

-----

Per our conversation, we would appreciate a high spot cost comparison of the Model 700 versus the Model 788. We are interested in similar items where there may be a substantial difference in costs.

We are also interested in what effect dropping the Model 788 would have on the Model 580 Series.
