

## BOLT ACTION RIFLE QUESTIONNAIRE

PAGE 3

11. How do you feel about the gun's weight?

It's a little heavier to carry, but this  
weight helps in balance, mountability and  
recoil comfort.

12. How do you feel about the new floor-plate?

I like Ringed floor plates, but a flush-  
fitting clip magazine would be better  
for this carbine!

13. How would you rate the gun you tested on the following characteristics and features?

|                              | <u>Excellent</u>                        | <u>Very Good</u>    | <u>Good</u> | <u>Fair</u> | <u>Poor</u> |
|------------------------------|-----------------------------------------|---------------------|-------------|-------------|-------------|
| Contour of stock             | <u>✓</u>                                |                     |             |             |             |
| Weight                       |                                         | <u>✓</u> → <u>✓</u> |             |             |             |
| Recoil                       | <u>off-balance</u><br><u>standing</u> ✓ |                     | <u>Rich</u> |             |             |
| Ease of Operation            |                                         | <u>✓</u>            |             |             |             |
| Overall Quality              |                                         | <u>✓</u> → <u>✓</u> |             |             |             |
| Color of Stock               |                                         |                     |             | <u>✓</u>    |             |
| Metal Finish                 |                                         | <u>✓</u>            |             |             |             |
| Design of Checkering Pattern |                                         |                     | <u>✓</u>    |             |             |

14. To whom do you think this rifle will appeal?

Mountain hunters, Deep woods hunters,  
Yankees,
